RSCCA Board Election

Congratulations to Robert Anderson of Bella Vista HOA and Joe Lovullo of Harbor View Estates HOA, who were both re-elected to serve on the Board on November 10, 2022.

Warm appreciation to all of RSCCA's volunteers who generously offer their time to serve on Boards and Committees for our HOA's. Thank-you!

Delegate Election Reminder

To ensure that you have an elected Delegate, all of RSCCA's Sub-Associations are encouraged to mail a Delegate candidate application form to members prior to each Sub-Association's Annual Meeting. The Delegate is elected for a term of one year and casts the Sub-Association's votes for RSCCA's Board of Directors.

City Tree Project & Road Repair

City's Steve Fritsch reported that 407 diseased/ problem trees have been replaced along Calle Del Cerro and Vista Montana (Project 12306). The city will irrigate the trees in the median with drip irrigation. RSCCA will irrigate the city's trees along the sides of Calle Del Cerro and Vista Montana.

The project is to include road repairs along Calle Del Cerro. Public works Director Kiel Koger has been contacted for the start date of the repairs.

Leaf Blower Update

Effective November 4, 2022 City Ordinance 1716, Municipal Code CH 8.50, replaces use of gas -powered blowers with electric- powered leaf blowers to reduce noise levels and greenhouse gas emissions. Leaf blowers may be operated on weekdays from 7 am - 6 p.m. and on weekends and holidays from 8 a.m. - 6 p.m. The Ordinance is posted here: https://library.municode.com/ca/san_clemente/codes/code_of_ordinances?nodeId=TIT8HESA_CH8.50LEBLOP

Questions may be directed to: Brett Pollard, Sr. Code Compliance Officer: (949) 361-6177 ; pollardb@san-clemente.org

Landscape Replacement Update

Due to State & City restrictions on irrigation, RSCCA has had to delay replanting RSCCA Common Areas where fire-hazardous acacia has been removed to comply with OCFA mandates. Landscaping replacement will commence as soon as restrictions are lifted, hopefully in the Spring. Thank-you for your patience and understanding as RSCCA continues to comply with the strict restrictions and conservation efforts generated by the drought conditions.
